## Message from The Lieutenant Governor

As the Lieutenant Governor of Newfoundland and Labrador and Patron of the 2024 Kiwanis Music Festival, I am pleased to support this cherished tradition, which is one of the largest festivals in Eastern Canada.

During The Year of The Arts 2024, we celebrate the rich arts and culture sector that Newfoundlanders and Labradorians across our great province have fostered for generations. For 72 years, the Kiwanis Music Festival has been an integral part of this sector, inspiring young and older to explore their musical talent and providing opportunities to build strong relationships and better communities through musical performance.

I have had the pleasure of participating in the Kiwanis Music Festival, as did our children, and can attest to the fun and opportunities it provides to so many. Listening to young and budding talents, learning from their performances, and the feedback from experienced adjudicators is truly invaluable.

Congratulations to organizers, participants and their loved ones, teachers, accompanists, and adjudicators on another successful year of showcasing the incredible musical talent in Newfoundland and Labrador. May you continue to bring joy and happiness to others through your music and achieve many more successes.

## MESSAGE FROM THE MINISTER

As the Minister of Education, it is my privilege to welcome everyone to the 2024 Kiwanis Music Festival of St. John's. I commend everyone that puts their name forward to participate in this festival and share their musical talent.

Our schools have strong music education roots which promotes a strong work ethic and discipline in young people. Those who study music learn from an early age that hard work, determination, practicing your craft, and a positive mindset are characteristics that will help you succeed in many facets of life.

Education is the key to unlocking students' dreams for their future, and this music festival provides a platform for students to display their talents and knowledge in the musical arts.

I encourage all participants to enjoy this valuable learning experience and celebrate the creative talents of young people throughout our province. I also send thanks to the organizers and adjudicators for taking time to support our youth as they develop their musical skills.

Good luck and best wishes!

## MESSAGE FROM THE MINISTER

Welcome to the 2024 St. John's Kiwanis Music Festival.

Newfoundland and Labrador's rich culture is rooted in the nurturing and celebration of our artistic community and showcasing them around the world. For some, this journey begins right here at the Kiwanis Music Festival.

This year is the Year of the Arts in Newfoundland and Labrador – a year for celebrating artists of all kinds and all ages. The young participants in this year's festival have worked hard to showcase their skills and talents to their family, friends and peers. Perhaps some will find their way to careers in music, acting as stewards for the arts in this province and helping to enrich our communities.

Congratulations to the dedicated organizers and volunteers for their commitment to bringing this festival to life.

Best of luck to all participants. We'll be cheering you on.

A handwritten signature in cursive script that reads "M. Crocker".

### ***Scholarship Trust Fund***

Scholarship Trust Funds The Kiwanis Music Festival Association of St. John's reached a significant milestone in 2001 with the presentation of the 50th Annual Kiwanis Music Festival. The Government of Newfoundland and Labrador and the City of St. John's both recognized Kiwanis' contribution in fostering our musical heritage, by making significant contributions to mark the occasion. The Association decided to use these contributions as the starting point in setting up a *Special Scholarship Trust Fund* that will provide cash awards and music scholarships to help support our many gifted musicians, particularly those who have decided to pursue post-secondary musical education. Additional contributions have also been received from other supporters resulting in approximately \$197,000 in overall Trust Funds available to generate interest for ongoing distribution of scholarships.

It should be noted that, while Kiwanis undertakes an annual fundraising campaign to support the regular operating costs of the festival, the Scholarship Trust Fund will establish a permanent legacy to provide support for promising musicians. The Association intends to use only the interest from the Trust to fund these special scholarships and awards. Ongoing administrative costs of the Annual Festival will continue to be funded from traditional sources. It should be further noted that these special scholarships do not replace specific scholarships for various musical categories or age groups which are funded on an annualized basis.

We continue to seek your support for this worthwhile endeavour. Contributions to this Fund should be sent to the Kiwanis Music Festival Office and be identified as a contribution to the Scholarship Trust Fund. An official tax receipt will be issued for all such donations. Should you have any questions, please feel free to contact the Music Festival office at (709) 579-1523.
